SHOW RULES

- Upon entry to the Hall, please use hand sanitizer, wear a mask, provide requested contact tracing information and maintain a 6’ distance from others.

- All exhibits are to be prepared at home, using your own containers. There will be no set up table at the Hall. Your container will not be judged (except for Decorative Division). Meat trays, paper plates or paper towel would be good options for Fruit and Vegetable exhibits.
- Please prepare your entry forms at home. This will help to minimize the amount of time spent in the Hall during set up
- Please refer to the *VRGC Guide for Entrants to the Mini Show, 2019* for tips on how best to exhibit your flowers, fruits & vegetables.
- All entries must have been grown by the exhibitor for at least two months prior to the show. Flowers in decorative division must be from the exhibitor's or a friend's garden (**NOT PURCHASED**).
- Exhibits are to be of 1 stem unless stated otherwise.
- Exhibitors may show more than one entry in a class provided they are different cultivars or species.
- The tabling of diseased/pest infested plant material is not permitted and such plant material will be removed.
- Fruit and vegetable exhibits should contain the number of items specified in the *VRGC Guide*.
- The judges or the Show committee may subdivide classes in which there are large numbers of entries.
- Definition information is available in the **VRGC Guide**

DECORATIVE DIVISION:

Exhibit: Plant material with or without accessories. Bases, backgrounds and title cards may be included. Plant material must predominate over all other components of the exhibit. Fresh plant material must be in water or in water-retaining material.

No artificial plant material. Painted and/or artificially coloured plant material will be accepted in Decorative Division only.

Show Co-ordinator - Carol Ann: 250-658-9495 hm 250-858-9568 cell
